

DYNAC CLASSIC

# ACLPV 07715HR

EAN CODE: 8717101005965

12/04/2021

## Description

Dynac Classic is a starter battery which is suitable for classic vehicles such as oldtimers and vintage cars. This battery is produced according to flooded low antimony technology and delivers durable and powerful performance. Most models come in an original hard rubber casing and can be delivered either dry pre-charged or wet charged (on request). Available in a range of 6V and 12V batteries from 66Ah to 200Ah.

## Performance

|                 |                         |
|-----------------|-------------------------|
| Nominal Voltage | 6                       |
| Capacity        | 77Ah (20hr, 1.75V/cell) |
| CCA EN          | 490                     |

## Dimensions / Casing / Weight

|                       |                      |
|-----------------------|----------------------|
| Box Type              | -                    |
| Dimensions            | Length: 215 mm       |
|                       | Width: 170 mm        |
|                       | Height: 166 mm       |
|                       | Total Height: 191 mm |
| Net Weight            | 9.2 Kg               |
| Acid Volume           | 2.7                  |
| Material Casing / Lid | HR                   |

## Technical Characteristics

|            |                      |
|------------|----------------------|
| Technology | Flooded Low Antimony |
| Separator  | PVC                  |

## Features

- Flooded low antimony technology
- Durable and powerful performance
- Original hard rubber casing
- Available as dry pre-charged or wet charged
- Suitable for almost all classic vehicles

## Layout

## Terminal

## Battery Classifications as per EN 50342-6

| Water Consumption | Charge Retention | Vibration Resistance | Endurance Level | Micro-Cycle Performance |
|-------------------|------------------|----------------------|-----------------|-------------------------|
| W2                | C2               | V2                   | E2              | -                       |
