## EFB 565500065

EAN CODE: 8717101025161

## Description

Dynac Start-Stop EFB is a range of start-stop batteries with EFB technology delivering reliable starting power and high performance. This battery offers a 2 times greater cycle resistance compared to a standard battery. This battery is the perfect choice for vehicles with multiple power consumers and basic start-stop systems. Available in a range of 12V batteries from 40Ah to 110Ah with a wide car park coverage for European and Asian vehicles.

| Performance     |                         |
|-----------------|-------------------------|
| Nominal Voltage | 12                      |
| Capacity        | 65Ah (20hr, 1.75V/cell) |
| CCA EN          | 650                     |

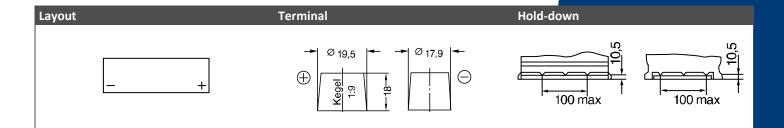

| Dimensions / Casing / Weight |                      |  |  |  |  |

| Technology                | Flooded Calcium |  |  |  |
| Seperator                 | PE              |  |  |  |

## Features

- Enhanced Flooded Battery technology
- Reliable starting power, high performance
- 2 times longer cycle life compared to conventional batteries
- Range of 10 models, wide car park coverage (EU and Asia)
- 100% maintenance free, leakproof, save handling
- Eco-friendly product and 99% recyclable

| Battery Classifications as per EN 50342-6 |                  |                      |                 |                         |  |  |  |
